Dear Darrell and Aaron,

Please see below the documents sought from s47F [REDACTED] from the ABC under a recent FOI request. It would assist me in undertaking the required searches to understand the scope of any ASADA investigation into Melbourne Demons Football Club and accordingly, the likely location of and number of documents that you would anticipate ASADA holds with respect to this matter.

- (1) The Melbourne Demons Football Club's contact with and/or involvement of Mr Stephen Dank administering and/or sourcing and/or using any substances on any players;
- (2) Any communication and/or reports regarding ASADA's decision not to investigate Mr Dank's role and/or presence and/or use of substances at Melbourne Demons FC;
- (3) And communication and reports regarding ASADA's decision not to investigate the supplements/vitamins/injections regime involving Mr Dank at Melbourne Demons FC;
- (4) Any notes and/or emails and/or minutes of meetings and/or memos and/or reports and/or communication about the ABC's 7:30 story:  
<http://www.abc.net.au/7.30/content/2013/s3740340.htm>
- (5) Any notes and/or emails and/or minutes of meetings and/or memos and/or correspondence and/or communication between ASADA and Melbourne Demons FC from 1 January 2013 to 1 December 2015 relating to Mr Dank's presence at the club and any supplements use at the club;

- (6) Any notes and/or emails and/or minutes of meetings and/or memos and/or correspondence sent to and/or received by ASADA between the AFL regarding Mr Dank's presence at the Melbourne Demons FC.
- (7) Any and all documents produced by ASADA and/or received by it referring to a supplements and/or injections and/or vitamins and/or antioxidant use at Melbourne FC involving Mr Dank.

Could you advise a time that is suitable to you to discuss?

Kind regards  
Kate
